PrioVida

...Time is the most precious asset for those who aspire to go beyond

- PrioVida is a dynamic Company created to help simplify the lives of families;
- PrioVida commitment is to ensure an easier life supported on security, trust and tranquility.

A bright yellow sun is in the top left corner. The background is a light blue sky with several white, stylized clouds hanging from the top. The clouds have a pattern of small white dots. The bottom of the slide features rolling green hills.

Our Team

- All our babysitters and nannies follow a very rigorous selection process before becoming part of PrioVida team. This scrutiny process consists of their academic history (essentially from the areas of education, health and psychomotricity), qualification tests, interviews, references and past working experience;
- We take recruitment very seriously, and our employees:
 - Have training in pediatric first aid;
 - Their criminal record is checked for eligibility;
 - They are multilingual, allowing a quick connection with Children and families.

Our Services

- We are fully capable to take care of children between 6 months and 12 years old, occasional or regular, at home, hotels, events, weekends or holidays;
- We are also qualified to provide services for children with Special Educational Needs (SEN).

Our Awards

- Five Star Regions 2018 and 2019 – a broadly Portuguese recognized award;
- 2019 is the second consecutive year, Five Stars Award has been achieved in the Babysitting Category;
- In 2019 we have surpassed the already challenging score (82%) reached in 2018 in all evaluated criteria (85%).
