An afternoon spent in the town of Sintra, visiting the Regaleira, Cabo da Roca, Cascais and Estoril.

The Regaleira Palace is the main building and the most common name of Quinta da Regaleira. It is also called Monteiro dos Millões Palace, denomination associated with the nickname of its former owner, António Augusto Carvalho Monteiro.

It is necessary to get to know it, to contemplate the scenery of the gardens and buildings, to admire the Palace, a true philosophical mansion of alchemical inspiration, to go through the exotic park, to feel its spirituality.

You'll also have a chance to enjoy the magnificent landscape of *Cabo da Roca*, the westernmost point of continental Europe. The day ends along the coast, with a visit to Cascais and Estoril.
